Dear Valued Community Member,

2013

Visitation Catholic School is a private accredited PreK-8 school located near Forest Grove in Verboort, Oregon and has been serving Western Washington County for over 125 years. Visitation provides a strong, values-based academic program to over 100 students and is able to offer affordable private education to families in the community through fundraising and tuition assistance.

Visitation School will be hosting an annual Golf Tournament on August 16, 2013, and we are seeking items for the event. Your support is vital to this event and we ask your help to ensure its success.

We are looking for support in several ways:

Foursomes are \$500 ~ includes the above plus sponsorship on the course.

Items for golfers bags (144)

Gift certificates or items for raffle

Sponsors – Corporate and individual sponsorship opportunities are available, starting at just \$100.

Please contact us for additional sponsorship information. (You and your business will be recognized at the golf tournament, on marketing materials and on our school web site.)
